## Dig Deep

**Location:** Competition Pool

**Instructor:** Heidi

**Description:** Classes take place in the deep end of our competition pool. Participants combine cardiovascular work, deep-water running, jogging, bicycling and cross-country skiing movements. Class focuses on muscular strength motions that work the body's major muscle groups as well as motions that work the core.

## Warm Water Therapy

**Location:** Therapy Pool

**Instructor:** Heidi

**Description:** This class allows you to exercise without putting excess strain on your joints and muscles. The gentle activities in our warm water therapy pool, with guidance from our instructor will help you gain strength, balance, and flexibility. This class is excellent for those with chronic illness and injury.

# MIND & BODY

## YOGA

**Location:** Wellness Room B

**Instructor:** Joslyn

**Description:** In this class, postures are practiced aligning, strengthen and promote flexibility in the body. Breathing techniques and meditation are also integrated. You can expect an emphasis on simplicity, repetition, and ease of movement.

## GENTLE YOGA

**Location:** Wellness Room B

**Instructor:** Karen

**Description:** Gentle yoga is essentially what it sounds like—a gentler style of hatha yoga practice. It is performed at a slower pace, with less intense positions, and usually includes extended time for meditation, yogic breath work, and relaxation.

## SLOW FLOW YOGA

**Location:** Wellness Room C

**Instructor:** Karen

**Description:** These classes move slowly through a series of fluid postures, flowing continuously through sequences of sun salutations and standing/seated postures. Emphasis on linking breath to movement, while relieving tension in the body, holding stretches and moving mindfully.

## PILATES

**Location:** Wellness Room B

**Instructor:** Gail

**Description:** A system of physical conditioning involving low-impact exercises and stretches designed to strengthen muscles of the torso

# STRENGTH TRAINING

## BREAKFAST BOOTCAMP

**Location:** Wellness Room C

**Instructor:** Drew

**Description:** a type of high-intensity interval training (HIIT) — bursts of intense activity alternated with intervals of lighter activity. A boot camp workout also can include functional fitness, such as using whole-body, multi-joint exercises that simulate movements people do in life.

## BARBELL STRENGTH

**Location:** Wellness Room C

**Instructor:** Gail

**Description:** A resistance-training style open to all fitness levels, Barbell Bootcamp emphasizes full body exercise with a primary focus on barbell compound movements: squats, deadlifts, rows, presses, etc.

# STRENGTH TRAINING

## CORE & MOBILITY

**Location:** Wellness Room C

**Instructor:** Gail

**Description:** This class focuses on gaining mobility and strength through standing, sitting, lying down, and other positions. This class is designed to get your heart rate up and help you burn unwanted fat. The first section consists of exercises to warm up the body through its ranges of motion.

## TABATA

**Location:** Wellness Room A

**Instructor:** Drew

**Description:** It uses the TRX and a specific interval training method called, Tabata. Tabata training uses time intervals of 20 seconds work to 10 seconds rest/recovery. You repeat this cycle 8 times to equal 4 minutes of continuous work. The beauty of Tabata training is that it is quick, focused, and efficient.

## TEMPLE TRAINING

**Location:** Wellness Room C

**Instructor:** Ivie Jo

**Description:** Your body is a temple and you only get one to last your lifetime. Training with free weights, resistance bands (glutes/core), and low impact cardio will help increase your strength, functioning, and stamina to endure this race called life. Workouts are fun, engaging and always changing so you never get bored. All fitness levels are welcomed and encouraged to attend!
